Dear Parishioner,

Catholic schools have a long standing tradition of education. Not only are they the best in the educational system, but also they help families in continuing the education of faith. ***Our pledge at St. Elizabeth Ann Seton is to help our church active and committed parishioners by reducing the cost of tuition of their children enrolled in the Catholic Schools System.***

Criteria that each family must meet in order to receive a subsidy tuition reduction by St. Elizabeth Ann Seton Parish Educational Fund:

1. The family must be active registered members of St. Elizabeth Ann Seton Parish.
2. Must be attending Mass regularly and have a *Sacrificial Giving Pledge Card* on file at the parish office and contributes regularly in the Sunday collection.
3. The student must maintain a 2.5 grade point average or higher to continue receiving a subsidy (to be reviewed at the end of the school year).
4. The subsidy will vary depending on the financial needs of the family and funds available. Preference will be given to active and committed parishioners. *“Active and committed”* is define as someone belonging to a group or ministry in the parish.
5. A form must be filled and signed by the *Parent/Guardian Responsible for Tuition* acknowledging these requirements.
6. The subsidy can be granted anytime during the school calendar year.

At St. Elizabeth Ann Seton we believe the family and the child must work to meet and exceed the hopes we have for them. The institution of faith that the schools and education is built on encourages the students to remain grounded in faith as they fulfill their dreams.

By signing you (*Parent/Guardian responsible for tuition*) agree to the above mentioned criteria, and St. Elizabeth Ann Seton Church is in no way obligated to continue tuition assistance.

Parent/Guardian _____ Date _____
