4. Super Bowl XLVIII

No one here will ever forget Super Bowl 48...the first Super Bowl championship for the Seattle Seahawks in franchise history! "The Seahawks picked up their first Vince Lombardi trophy after the crushing win over the Denver Broncos. The matchup marked the second time since 1970 that the league's top-scoring offense faced the NFL's top scoring defense. The Seahawks dominated the game and ended the evening with a final score of Seattle 43-Denver 8. The Hawks also lay claim to the third youngest quarterback to win a super bowl and a head coach that has won both a Super Bowl and a college football national title." This is written on the print itself.

We have a LIMITED EDITION signed print of this very game! It has a certificate of authenticity and is signed by both Russell Wilson AND Marshawn Lynch. There are only 48 and this one is #19.
