

Families of St. Mary Magdalen School,

The coronavirus has, unfortunately, dramatically altered some of the events that would normally take place during this part of the school year. It is important we keep moving forward as we begin to plan to prepare for the next school year. With this in mind, I wanted to announce early what the tuition change will be for the next school year. Traditionally this is something discussed at the state of the school address, but because this talk is delayed by the recent school closures, we determined it was prudent to provide our families with this information now. After considering what resources we would need to support our teachers, improve the quality of education, and maintain our facility we have determined a need for a tuition increase of 3.5%. We have consulted both the parish and school commission regarding the increases. We will have the opportunity to begin signing student contracts in April which allow us to finalize our plans for the upcoming school year. We are looking for to a great upcoming year at SMM.
