Family Handbook Agreement Form

Since the Family Handbook contains essential information about St. Mary Magdalen School, it is required that every parent/guardian and student read it. Parents may read to younger students the appropriate sections relevant to their role here. The handbook can be found on our website stmarym.org under "Parent Portal".

Parents/guardians and students must sign below to indicate they have read the Handbook, discussed it carefully, and agree to comply and be governed by the philosophy and rules of St. Mary Magdalen School. Signatures indicate your understanding that policies and procedures may not be limited to those specifically contained in this Handbook.

We have read the Family Handbook and we agree to support the school's mission and Catholic philosophy. We agree to comply with all school policies and procedures.
